Garden of Flowing Fragrance | AT THE HUNTINGTON

Sponsored by Bloomingdale's, Hong Kong Association of Southern California is joining hands with the Huntington to organize a Mid-Autumn Gala. Come celebrate the Mid-Autumn Festival with your old and new friends in the beautiful Chinese Garden. This event's net proceeds will benefit Phase Two of the Chinese Garden.

## THE GARDEN OF FLOWING FRAGRANCE: THE NEXT PHASE

Since February 2008, the Garden of Flowing Fragrance, Liu Fang Yuan, has been the talk of the town. Visitors, tour groups, special guests, and donors have flocked to The Huntington to enjoy its elegant beauty and to be inspired by the rich tapestry of Chinese architecture, horticulture, poetry, and aesthetics. The Huntington is launching a special initiative to raise gifts for the next phase of the Chinese garden. The plans call for completing the northern area with a lake-side performance hall for music, dance, opera, and readings; a large courtyard; a small climate-controlled and secure space where decorative objects might be displayed; and a covered walkway alongside the Flower Washing Brook, Huan Hua Xi, that will create small garden spaces and elegant views.
